

Click the **File** tab.

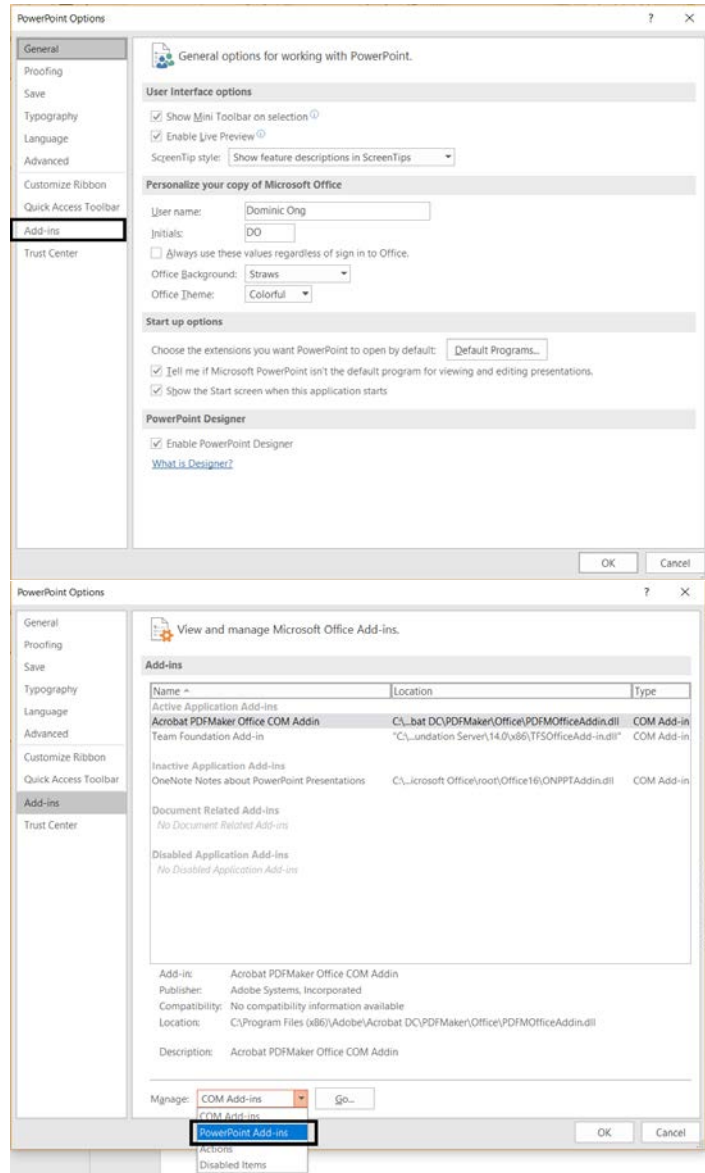

Click the **Options** button.

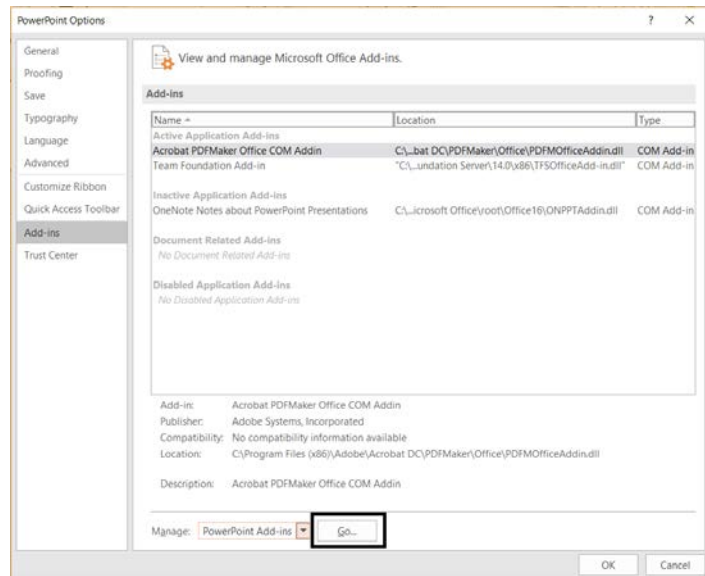

A PowerPoint Options window should open. Click the **Add-Ins** button.

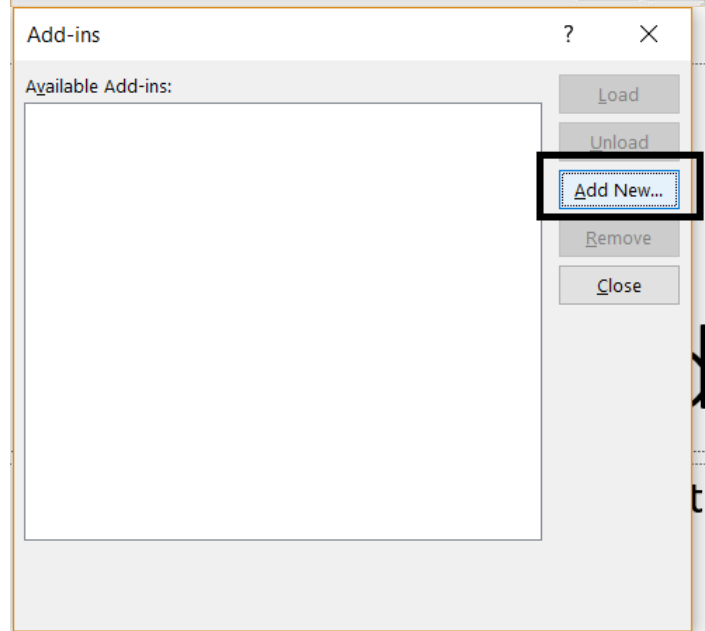

Select **PowerPoint Add-In** from the dropdown box.

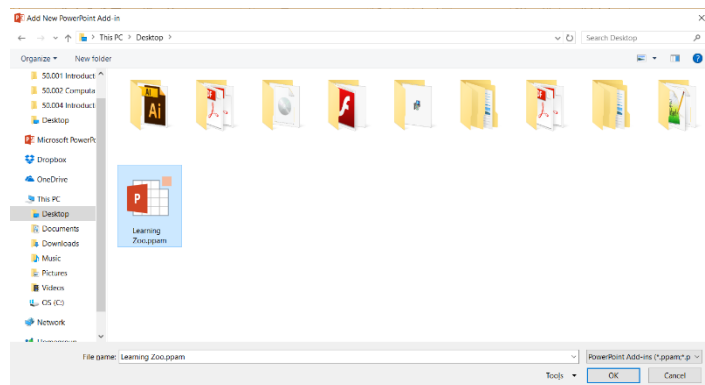

Ensure that PowerPoint Add-Ins is selected and press **Go**.

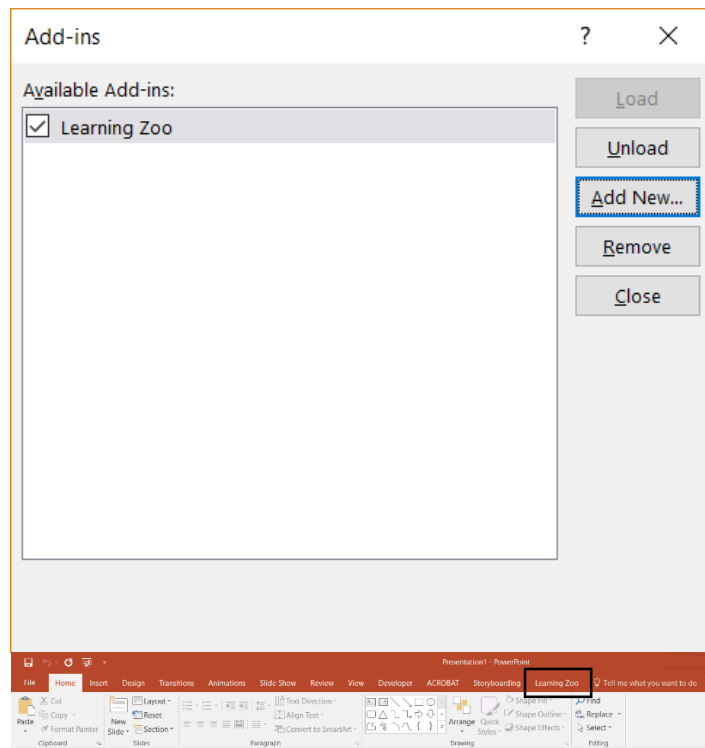

An Add-ins window should appear. Click **Add New**.

Locate our **Learning Zoo.ppam** file and click Ok.

Learning Zoo Add-In has been loaded.
Ensure that the box is ticked and close
the window.

If the Add-In has loaded properly, you
will be able to see the **Learning Zoo** tab
located at the top.

Set topics by clicking the **Set Zoo Topics**
button.
